I have a story to share. Twenty years ago this spring, I was hosting a children's book club for my kids and our friends when my dear friend, Amanda Varn, told me that Christ Church was looking for a new preschool director. Interesting, I thought. I had completed a masters in School Administration but had taken a few years off to devote to my boys. This might be the perfect fit as I returned to my profession. Little did I know that this would be life changing and so incredibly rewarding. In June of 2004, I began. We wanted to re-establish a Mother's Morning Out program and at that point, I made one of my better executive decisions. I hired Amanda to join me as we created this program. I knew from personal experience that Amanda had a compassionate heart for little ones and would quickly bond with both children & parents. Her previous career as a social worker also gave her incredible insight. Later in this journey, with her excellent problem solving skills, she became my assistant. Not many people can say that they get to work side by side for 20 years with a best friend. We are very blessed and love what we do here. Thank you, Christ Church Day School, for giving us this exceptional opportunity to work in such a loving environment. We LOVE it here! And, yes! That's us in the above photo way back when! ❤️ Ellen
