Let's Load Up the Wagons and Help Feed Those in Need!

Our children are never too young to start learning about having a servant's heart. I'm sure many of you have noticed that the East Cooper Meals on Wheels headquarters are right here on our campus. If you are not aware, this amazing organization is 100% community funded with over 450 volunteers preparing and delivering over 400 meals daily to our homebound neighbors. During the month of February, we are going to be collecting items in each grade level to support their outreach efforts. In fact, I have a special chapel planned midmonth. The children will be able to bring their items to chapel and place them in our wagon for delivery. Then each child will receive a homemade clay heart reminding them that Jesus loves them. Thanks for your support in this special life lesson.

Teacher Appreciation Week: Mar 6-10

All of the Day School teachers put so much love and dedication into our program. Now it's our time to show these wonderful ladies some love, too. We need to start planning **NOW** to create a special Teacher Appreciation Week. Each year, I host a luncheon and there are surprise gifts for the teachers to receive and even special drawings for big items. Please contact me if you can make a gift donation. Every bit helps! Together, we can make it so special!
