FREE Developmental Screenings with Tri-County Therapy for 12 months to 5 Years!

This fall, the staff was so fortunate to listen to a seminar presented by Tri-County Therapy. It reinforced our belief that early intervention is extremely important because it can completely change the trajectory for a child! This January, we will offer screenings for ALL ages at the Day School because intervention is most successful if it begins when a baby/child's brain is adaptable & rapidly forming neural connections. The screeners will identify each child's strengths and possible areas of need where a child may benefit from extra support to promote success across different environments (home, school & community). During the FREE screening, the child's fine motor, visual motor, language skills, articulation, gross motor skills and sensory processing will be evaluated. Based on your child's assessment, you may seek services through Tri-County which accepts most major insurances, but your tax dollars support BabyNet and Child Find which also provide early intervention opportunities. This is such an exciting time in your child's development. A flyer will be going home in folders, but here is the QR code to sign-up. The screening will occur during school hours but parental consent is required. We hope that you will take advantage of this amazing resource!

Registration Fees DUE Mon, Jan 29, 2024

To avoid making tuition and registration payments at the same time, we will be postponing February tuition until March. This only applies to families who have prepaid (remember July & August?). We hope this will be welcome after the holidays.

For those who joined our school later this summer and fall, February tuition is still due no later than the 5th.

Thank You for Your Support

The teachers and I are excited about this new semester, but we would be remiss if we did not take a moment and acknowledge our gratitude for an amazing fall semester. You all have been incredibly kind and generous to us. The hallway conversations, the hand waves and smiles in car line, the delicious staff lunches, the countless volunteer hours to support our fundraising, the generous Christmas gifts, the acknowledgement of birthdays, your attendance at our special programs, the kind words and hugs have been instrumental in building a loving, warm school community. Relationships are everything and getting to know you and your child is so important to each one of us.
