We LOVE Our Teachers!

This is my favorite newsletter of the year because I know it makes the teachers feel so valued! This is only a small collection of the Teacher Appreciation notes that came flooding into my inbox. In this Scoop edition, we'll have a chance to read about our favorite teachers and learn about new ones for next year. I only regret that I do not have enough space to print all of your thoughtful messages. Your response to my request for an encouraging note was overwhelming! Each teacher will receive all of your precious notes at the luncheon on Thursday, March 9. Thank you for showing your love in such a kind way! These teachers are so deserving of your praise! - Ellen Nietert

In Your Words...

Ms. Amanda & Ms. Logan (**above photo**) are the sweetest mother daughter duo and I feel so lucky to have them care for my son! You not only make it easy on our children but you also make our hearts as parents feel at peace with stepping away for a couple hours. We are beyond grateful for your thoughtful, caring, and most loving hearts!! Thank you for being a part of our village - Kelci Pozzi

Thank you, Ms. Anne and Ms. Beth, for welcoming Brighton into your class with loving arms. She happily sings school songs and proudly shows off her work. She is so HAPPY and enjoys seeing you both each day. We were led to you and your class and it feels "heaven sent." - Catherine Hagaman

We are so thankful for Ms. Emily and Ms. Suzanne! Connor is excited to go to school each day! He has learned so much and made so much progress in their class! He has grown to love writing and drawing this year thanks to these amazing teachers! We love you, Ms. Emily and Ms. Suzanne!

Ms. Pat's 5 Day Fours

Whenever I am afraid, I will trust in you. Psalms 56:3

JJ is so lucky to have such wonderful teachers leading him through such an important age! When we wait in car line, JJ is constantly telling me to "Hurry up Mama, just drive!", because he can't wait to get to school. This excitement is driven by the loving and nurturing atmosphere Miss Laurie and Miss Dakota have created for our children. - Allison Dwyer

Moving out of state and moving Ella to a new school made me very nervous. From the first time we walked into your class (Ms. Pat, Ms. Nicole & Ms. Moo), I knew we had found the right fit for Ella. She loves going to school and has thoroughly enjoyed every day in your class. From the songs she sings on the way home, to the stories she tells, we know she is really happy. Thank you for all you have done to make her transition so smooth. - Jenny Rehor

I am so incredibly grateful for Ms. Ashley and Ms. Lisa! Their passion, patience and enthusiasm for teaching our children shows every single day. They never fail to make Coleman feel comfortable and happy to be at school. I love to hear about his day and what he has learned.

- Jessica Carroll

Super Science is the highlight of James's week thanks to Ms. Lindsay & Ms. Casey. How you manage to do so much in only 3.5 hours will forever amaze me. We are so appreciative for your creative, thoughtful and kind nature. You give James confidence and tap into the things he loves. - Katy Daley

Thank you, MMO teachers, for all you have done for my child during such a transitional time in her life. Thank you for the tears you have wiped away, for the tiny hands you have held, for the stories you have read, and reassuring hugs that you have given. - Jackie Dante

Ms. Kelly & Ms. Linda will have a special place in my heart for the rest of my days as I will always look back on Henry's first year of school with such adoration, excitement and amazement. The transition has been seamless and beautiful to watch his growth. We have such appreciation for their warmth, their knowledge, their kindness, their protection and all that they do for each child in class, especially our sweet boy! - Allyson Jarrett

Being away from our Emma for the first time was nerve wracking for us, but you, Ms. Maria & Ms. Michele (**left photo**), have taken her in as if she were one of your own and we couldn't be more grateful. Your constant positivity and support of her has been nothing short of amazing. We are forever in your debt. Emma absolutely loves you!

Ms. Polly is truly one of the most special people. She radiates joy and kindness. Ms. Polly has not only taught our son to embrace his love of music but has also helped his interpersonal skills development and increased his confidence. - Scotlyn Phelps
