

Dear Parents,

Christ Church Day School is now accepting applications for the 2022-2023 school year. Please register at your leisure by the dates listed below, but do not submit a check until you have been informed of your child's placement. To maintain priority status, registration forms must be submitted by the following deadlines. If these deadlines are missed, your name will be placed in the general lottery.

- **Until the close of the school day on Friday, January 21, 2022, priority registration will be open for re-enrolling students (Preschool and MMO) and children who have siblings attending the Day School for this present school year.** Registration fees will be due no later than Tuesday, February 1, 2022.
- **Until the close of the school day on Friday, January 21, 2022, priority registration will be open for parishioners.** Registration fees will be due no later than Tuesday, February 1, 2022.
- **Registration for the public will be open until the close of the school day Monday, January 31, 2022 to participate in the general lottery.** Registration fees will be due no later than Monday, February 7, 2022.

During winter registration if a particular class receives more requests than spots available, a lottery will occur to determine placement. The order of the waiting list for that class will be determined by a lottery as well. We do encourage you to participate in a timely fashion, but applications after winter registration are always welcome.

The school board has established a program to provide assistance for families with multiple children at the school. A discount of \$15.00 will be applied to the youngest child's tuition. This discount will only apply to tuition payments. No multiple sibling discounts will apply to registration fees. If you choose to accept this discount, monthly tuition payments must be made by using the school's electronic draft program. Scholarship assistance is available as well.

Before returning the signed registration form, please read the registration, tuition and medical agreements carefully. **A South Carolina DHEC Immunization record is required for attendance. The 2022-2023 student mask policy will be optional. If there is a highly contagious COVID variant, masks will be strongly recommended but not required.** As always, our staff will continue to be fully vaccinated and will wear masks when it is highly recommended, and we will follow SCDHEC quarantine and isolation guidelines for childcare centers. **Only preschool parents will be responsible for a non-refundable classroom material fee. This fee will be paid at Orientation.** If you have any questions, do not hesitate to call me at the school office. Also make sure your email address is printed clearly for notification of your child's placement prior to the fee deadline. **The registration fee (the same amount as one month's tuition) must be paid according to the above-listed deadline in order to reserve a spot in our program. Please do not submit a check until you have been informed of your child's placement.** Thank you so much for considering Christ Church Day School for your child's educational experience.

Blessings,

Ellen Nietert  
Christ Church Day School Director
