## LOVE THY NEIGHBOR AS YOURSELF. MATTHEW 22:39

Hi Parents,

It's with great joy that I announce our outreach project for this month. As we teach the children in chapel about how God wants us to love our neighbors, we as a school are going to literally love our homebound neighbors by donating food to Meals on Wheels. I'm sure many of you have noticed that the East Cooper Meals on Wheels headquarters are right here on our campus. If you are not aware, this amazing organization is 100% community funded with over 450 volunteers preparing and delivering over 400 meals daily to our homebound neighbors. Our children are never too young to start learning about having a servant's

heart. I visited Meals on Wheels recently and learned that they are in desperate need of breakfast items. During the month of February, we are going to be collecting items in each grade level to support their outreach efforts. In fact, I have a special chapel planned midmonth. The children will be able to bring their items to chapel and place them in our wagon for delivery. They collectively will see how they are loving their neighbors. Then each child will receive a homemade clay heart reminding them that God loves them. Thank you so much for your support in this special life lesson.

Blessings,  
Ellen Nietert

Teacher Appreciation Week

## Teacher Appreciation Week - March 14-18

Even though we have had a different kind of year, I hope you have felt the love from our staff. Now it's time to show our teachers some love, too. We need to start planning now to create a special Teacher Appreciation Week. Each year, I host a luncheon and there are surprise gifts for the teachers to receive and even special drawings for big items. Please contact me if you can make a gift donation. Every bit helps! Together, we can make it so special!
