THANK YOU, TEACHERS! WE LOVE YOU!

Dear Parents,

This is my favorite newsletter of the year because I know it makes the teachers feel so valued! This is only a small collection of the Teacher Appreciation notes that came flooding into my inbox. In this Scoop edition, we'll have a chance to read about our favorite teachers and learn about new

ones for next year. I only regret that I do not have enough space to print all of your thoughtful messages. Your response to my request for an encouraging note was overwhelming! Each teacher will receive all of your precious letters at the luncheon on Thursday, March 7. Thank you for showing your love in such a kind way! These teachers are so deserving of your praises.

Blessings,
Ellen Nietert

In your words...

My daughter (2 day 2's) looks forward to going to school to see Miss Ashley and Miss Nicole. When she is at home, she talks about all the things they teach her. It's apparent that she is thriving in their class by her enjoyment of singing songs learned in the classroom, reading books and her excitement when she asks me, "Is it a school day", Mama? I feel so lucky to be part of the Christ Church Day School family. Our teachers are the very best. - Tiffany Merklinger

Thank you so much, Pat, Moo and Mandi, for loving on our sweet boy every day and working with him to make sure he's always putting forth his best effort in his work and actions. I was worried how he would do this year, but y'all have put this mama's heart at ease, with your warm smiles in greeting him, big hugs on Friday afternoons; and I'm so excited for his progress since the beginning of the year and enthusiasm for learning. Thank you for all you all do! Love, The Alvarenga's

Kelly and Lisa are the dynamic duo! They are the kind of preschool teachers you hope your children have. Their passion for teaching is obvious and they truly love each of these kids like they were there own. Riley gets so excited when it's a school day and often gets disappointed when it's not! I love when I have a text message from them because it's often a cute picture or video of Riley. Thank you, Kelly and Linda, for everything. The Paradise Family loves you both!

We are so excited that Ellis is learning Spanish from you this year! We are amazed at how much she's learned, and she looks forward to seeing you! I will never forget being home with my family this past Christmas season and going to dinner at our local Mexican food restaurant, and Ellis broke out in full song and dance to "Mi Burrito Sabanero" when she recognized it on the radio- and we cried because it was so cute and unexpected!! Thanks again for being a highlight of her week! Hayden and Ryan Wilson

You are such a perfect fit for our precious two year olds, and you make it look easy! You have made the transition to a school routine so positive and enjoyable for Landen, and he is growing in so many ways! We are so appreciative of extra time, support, and nurturing you have given him.
- Ashley Magill-Collins

Ms. Emily and Ms. Nicole have been absolutely wonderful this year! Tripp is always excited to go to school and talks my ear off at pick up about what they did that day. They've done the cutest crafts this year and Tripp still plays with them at home long after they've arrived We love how much Emily and Nicole truly love Tripp and couldn't have asked for better teacher. - Pendleton Rouse

Kelly, we feel so blessed to have you as our teacher this year. You have gone out of your way to keep me informed of how Grayson is doing which is so comforting during those hours I am not with her. Even though it took some time, you made her feel comfortable and loved and she truly looks forward to going to school. We even play school at home and she is always "Ms Kelly". Thank you for all that you have done and will continue to do. When I asked Grayson what she likes most about Ms Kelly and Ms Gabi she said she "likes when they talk to me." Thank you for making sure my quite girl is heard and feels special. - Danielle Roca

Miss Melissa and Miss Lisa are such an amazing team! We are beyond grateful for not only their teaching skills but love, positivity, incredible patience and support every week. Silvie's enthusiasm for school is so encouraging and it truly is because of these amazing teachers.
- Kristin Pavao

My son, Derek, really enjoys music with Ms. Polly! I catch him singing songs he's learned in music class when he's happy. The other day he was so excited to tell me about how she had fun new shaker eggs to use and had told him what a great job he was doing. - Kristen Schur

Lisa and Jolene, you are amazing!!! Thank you for starting every day with huge smiles and greetings for "your babies" and even the siblings of the babies! You can tell that you both enjoy what you do and love to help children acclimate to school and be comfortable in a social setting. You have made Aubrey's first year of school so easy and comfortable! You both are a huge part of the reason she loves to go to "cool"!!! - Megan Rzyski

Thank you so much to ALL of Nina's teachers! She loves coming to MMO and I know if she could come everyday she would. She has really come out of her shell and we have seen her grow so much this year. It warms our heart to peek in the window and see her playing, learning and interacting with all her classmates (or "friends" as Nina calls them). Nina will name all her teachers in the morning before we go to school. You all create such a great environment for the kids to thrive and grow we can not thank you enough for all you do. - Bjorn and Lindsay Miller

I love this school and your whole staff (including you, Ellen!!)- everything you do is amazing, and we have had nothing but wonderful experiences. I share it with everyone I know, and I genuinely trust and adore every teacher we've had- I know my boys could not be in a safer place and feel like they are truly loved and cared for when they are at school. Thank you all for everything you do for the kids, the staff, and the parents!!! - The Wood Family

I am continually blown away by Ms. Lindsay's creative ideas for Super Science! Miller absolutely loves her Fridays in SS! Despite only going once a week, she has learned so much about life around her and how things work. Such a great program! - Rebecca Cummings
