CHRIST CHURCH DAY SCHOOL • 2304 HWY 17 N, MT PLEASANT, SC 29466 • 843.884.9197 (OFFICE) | 843.884.3705 (FAX) • ENIETERT@CHRISTCH.ORG

Ms. Moo & Ms. Pat have been a team for over 16 years in 5 Day 4s!

THANK YOU, TEACHERS! WE LOVE YOU!

This March Edition of the Day School Scoop is dedicated to the ladies we love, OUR TEACHERS! They bring such joy and optimism into this building! Every school day, they are intent on making each child feel loved and special. During this pandemic, I have seen incredible teamwork within our staff to ensure that the children are in a safe & clean environment. With passion and dedication, they often stay after school finishing keepsake projects so you will also feel the wonder of this preschool journey many years from today. For over sixteen years, I have been so proud to say that I spend my mornings at Christ Church Day School. These ladies and your adorable children make life special! Thank you, teachers!! We love you!

In your words...

Ms. Ashley and Ms. Lisa have been such a blessing to Nina. She is always so excited to go to school and see her friends and I know it is because the teachers make it such a happy and welcoming place. We are so appreciative of all their creative/innovative ideas to keep the kids active and learning while keeping them safe! We will be forever grateful to our teachers that have worked so hard to bring some normalcy to our little ones this year. I especially want to thank them for their dedication to the Facebook page! I can't tell you how much we enjoy seeing the pictures and videos after school and getting a glimpse of the day! -Lindsay Miller

One night while watching a movie before bedtime, Karston put her arms up and exclaimed "God is Love!" It took me a second before it clicked in my head...that was the Bible verse Ms. Maria and Ms. Michele were just teaching her in school earlier that day! I teared up. When Karston was born, Clark and I both knew that we wanted her to grow up knowing God and we wanted to raise her as a disciple of Christ. Hearing her recite a Bible verse for the first time filled my heart up with so much joy and is a memory I will forever cherish. She also knows the "God our Father" blessing by heart and sometimes has to remind US to pray before meals :). I know these are the foundational stepping stones she needs to continue to grow her relationship with Him and I am so grateful to Ms. Maria and Ms. Michele for teaching her about God's love in such a fun and nurturing environment. Thank you both so much from the bottom of my heart! -Kenzie Banks, Karston's mom

I couldn't be happier for Hattie to have Ms. Laurie and Ms. Haley as teachers! I was very nervous about her starting school this year but there have been NO tears at all. She is always happy and excited to go to school! She wakes up every morning saying — are we going to school today!? Hattie absolutely loves both of them! We couldn't have asked for a better first year of school! — Stacey Moore

Miss Kayla and Miss Lauren are amazing teachers who make learning so much fun for my daughter, Emersyn! Throughout the year, they have setup some really cute, interactive and engaging activities for the kids! Emersyn just LOVED the magic play-doh center; the pumpkin patch; the Christmas pageant; the wedding of Q and U; the ice skating rink; and the Valentine Volcano! Thanks for all you do, ladies! It's always a blast in Miss Kayla and Miss Lauren's 4 day 4s! — Paige Hoagland

There are no others I'd rather hand Nash off to for a few hours a week...you MMOII teachers are all so warm and welcoming, and Nash loves you! I never worry a bit when he's with you ladies and his friends. Thank you for helping me keep my little wild man 'in line,' and for being so sweet to him. Him running to the door smiling and not wanting to leave with me (HA) says it all. Thank you all for taking care of our babies like family. You are SO very appreciated!! - Katie Perlin

Miss Pat, Miss Moo and Miss Nicole give much guidance to our children as they prepare for the transition to Kindergarten. Their lessons go beyond the fundamentals of the alphabet, counting and academic curriculum. They teach kindness, respect and creativity. When my daughter talks about her time spent in the classroom she speaks with excitement, laughter and always looks forward to returning to her teachers and classmates. It is such a blessing to have these teachers create happiness in the lives of our children. -Tiffany Merklinger

Our son just adores everything about Ms. Kelly and Ms. Linda! I am constantly impressed on how they keep up with the class Instagram page on a daily basis. It brings a smile to my face being able to see the children laughing, learning, and having so much fun. Our son brings home so many amazing projects and fun activities. He has learned so much this year so far and I owe it all to the wonderful teachers. Miss Kelly and Miss Linda always have a big smile on their face and make us feel so comfortable knowing our son is safe and loved on all day. We adore and love these teachers so much! Love, Julie & Brian McMickle

Super Science is Jackson's favorite day of the week! He loves learning about something new each time. Ms. Lindsey and Ms. Laurie are so good with Jackson and he absolutely adores you ladies!! Thank you for caring for him. It makes my heart happy to know he's having fun and learning at the same time - Nicole Moore

Ms. Mari has been so special to us over the years. Allie loves learning new words in Spanish and singing songs. She is always so happy to see the kids and passionate about her work which makes such a difference. We love you Ms. Mari! - Emily LeBlanc

One bright side when school had to close last year was getting an inside view to the magical musical world Ms Polly creates for the children in the videos she would upload. And this year getting to see videos on our class Instagram page of her with the kids bringing music to life is so fun to watch. Maddox looks forward to his weekly music class and loves to tell us all about the instrument he got to play or song he sang when he gets home. - Danielle Roca

Beckett was excited but a little nervous to start school this year. We had a big change of moving to a new state where he knew no one and had only hung out with his brother for months!! He has loved school! We have seen such a growth in him and his knowledge and it's such a fun thing to watch him learn! Beckett loves when Ms. Emily reads the class books & he gets excited seeing Ms. Kay waiting for him in carline in the mornings! Thank you for being great teachers. -The Bachs
