THANK YOU, TEACHERS! WE LOVE YOU!

This March Edition of the Day School Scoop is dedicated to the ladies we love, OUR TEACHERS! They bring such joy and optimism into this building! Every school day, they are intent on making each child feel loved and special. With passion and dedication, they often stay after school finishing keepsake projects so you will also feel the wonder of this preschool journey many years from today. For almost eighteen years, I have been so proud to say that I spend my mornings at Christ Church Day School. These ladies and your adorable children make life special! Enjoy this edition of the Scoop, full of parents' notes of praise. Thank you, teachers!! We love you!

In your words...

Jack is truly blessed to have Miss Kelly and Miss Linda for his preschool teachers this year! They go above and beyond to make sure preschool is a positive experience for him. Jack really enjoys going every week! With all the love, creativity, and patience, Jack has learned a lot this year! We can't thank Miss Kelly and Miss Linda enough for all that they do each and every day! ~ Kim and Rees Byars

Ms. Anne and Ms. Beth have made our first year at CCDS a memorable one! They are both so sweet, kind and thoughtful. They have seamlessly helped us through days with tears, which shows the love and comfort they bring to their classroom. We couldn't have asked for a better team and deeply appreciate their dedication to our daughter as she learns and grows! ~ The Hourihan Family

We love Miss Maria and Miss Michele because they are so caring, understanding and patient with our little guy. They couldn't be sweeter to Nash, and I'm so thankful I don't have a worry in the world when I drop him at CCDS. All of your teachers are like loving mama bears!! Thank you all so much! ~ Katie & Dave Perlin

Every night before bed, Blair asks, "Do I have school in the morning?" She gets so excited when I say, "YES!" Blair absolutely loves school and she loves Miss Laurie and Miss Haley so much! Miss Laurie and Miss Haley are always so happy and positive and you can really see their love for the children. They do a great job at giving us a glimpse of the school day with creative crafts and sharing pictures! Miss Laurie and Miss Haley are such a blessing and we are so thankful for them! ~ Julia Hassig

We Love Ms. Ashley and Ms. Lisa because they are an inspiration to Bella and you can tell how much they care and love the children. We also love seeing all the pictures and videos we get and being able to see a glimpse of her school day. We are so grateful for these teachers and this sweet school! ~ Chandler and Andrew Connor

Miss Jolene and Miss Logan are true angels on earth. Leaving your baby for the first time can be hard, but they made the transition so seamless and stress free. Their kindness radiates from each of them and puts all the children at ease (and brings a sense of confidence that they can take on the day without Mommy/Daddy!). I dropped JJ off the other day and he fell into Jolene's arms, resting his head on her shoulder. Watching him feel so comfortable with them warmed my heart. ~ Allison Dwyer

Ms. Pat, Ms. Moo and Ms. Nicole have made such a positive impact in our daughter's life. She is so happy going to school and tells us all the fun things she has learned in her day. She does little special things at home that I know she has learned in her class. They know how to have an amazing fun time, but also are able to share their knowledge and life lessons with our children. We are so happy and lucky to have our teachers ~ Karen SImoneau

As a busy mom of three kids three and under with no family nearby, there are few things more comforting and valuable than having safe, nurturing, stimulating people that I can comfortably leave my child with. The wonderful Mom's Morning Out program at Christ Church has allowed me to do that, and Kelsey loves all of her sweet teachers. Miss Susan, Miss Jolene, Miss Amanda, and Miss Lisa are so good to our girl, and it's a joy to watch her walk confidently into her room each day with barely a glance behind. We are so blessed to have these women in our lives! ~Lindsay Sullivan

I cannot say enough for what Emily and Suzanne have done for Luke. He was so shy and hesitant at the beginning of the school year and now he's outgoing and his personality is blossoming. He's excited to go to school and learn and loves telling us all the things he's doing. He loves his teachers and I can see that they love him. With how crazy the last 2 years have been, Christ Church Day School has been such a blessing for our family and for Luke. Emily and Suzanne are fantastic and have made such an impact on our child and we are forever grateful! ~ Lauren Osti

We are so grateful to have access to such a phenomenal and talented music teacher. I love to watch video clips of her singing and playing her guitar for the littles. Watching them sing along with motions is the cutest thing ever!~ Andrea Rochon

You can tell everyday how much Ms. Lindsay loves her students and it has been an absolute joy to be in her class this year! It has also been awesome to have Ms. Casey this year. Gracey talks daily about how much she loves talking Disney with Ms. Casey. It is so comforting knowing that Gracey has someone to look up to and have fun with while at school! Gracey getting to see Ms. Laurie every Friday for Super Science has been so exciting for her! Friday is one of her favorite days of the week! Thank you for pouring so much Love into Gracey this year! ~ Amber Perry

Mason has been fascinated by other languages since he could speak. Having Senora Marcela teach him the beginnings of another language has made him feel so very special. I love when he jumps in the car during car line to tell me what he learned in Spanish that day. ~ Michelle Vitelli
