Dear Parents,

In September's Scoop, I stressed three words: pray, pivot and love. All are action verbs and that was required this school year. We all had to be active and engaged if we wanted to have a successful two semesters. I know we still have a few more weeks, but I am so incredibly proud of the children, you all and our dedicated staff! I just want to dance and shout, "WE DID IT!" A year ago, we were operating virtually with little interaction with your adorable children and not much of a promising budget as we moved into a grim summer, but we had a vision of how we could make this work, and we all had dedicated hearts. Because of your incredible faith in us and your determination to give your children a safe but engaging learning environment, the Day School was able to bloom in this tough season. As a staff, we dug in deep and supported not just our own classrooms but others as well. Your tremendous generosity provided Oreos, snacks, play equipment and much more. You prayed for us and gave so much love. You supported the program even when I'm sure it wasn't convenient. As I review this past year, I see that the Lord was so gracious because He allowed us to experience all the fruits of the spirit in this community called Christ Church Day School. I love you all and am so thankful to know you. It was such an honor to share this particular season of life with you!

Blessings,
Ellen
