Welcome! Welcome! Welcome!

We are incredibly excited to open our doors for our 26th school year!

Hi Parents,

We have so much in store for your child and you! At the Day School, we believe that a sense of community is everything. Without community, we cannot develop relationships and support one another. Life is way too short for that! During your time with us, we will create lots of precious memories beginning on day one. Thanks so much for sharing your sweet babies with us. We are going to have a great year together!

Blessings,
Ellen Nietert

Meals on Wheels Can Drive

Every year, we want the Day School children to learn how to care for others. We know that an activity that is tangible and concrete to a child makes a deeper impression than an abstract concept. Our goal is to develop a servant's heart even in our smallest of friends. It's never too early to learn how to love others in our community. This fall, we will be collecting food for East Cooper Meals on Wheels. This long-standing outreach program is so important for our homebound neighbors who depend on these nutritious meals. There is no waiting list for service and no charge, but this ministry relies on our community for support. This is our chance for the Day School to share its love! SAFETY REMINDERS FOR SEPTEMBER

- NO passing in car line. Don't let your child hang out of the car; buckle up. We want car line to be fun and safe!

- Notify us if your child has fifth disease. This virus can harm and unborn baby.
