CHRIST CHURCH DAY SCHOOL • 2304 HWY 17 N, MT PLEASANT, SC 29466 • 843.884.9090 (OFFICE) | 843.884.3705 (FAX) • ENIETERT@CHRISTCH.ORG

Dear Parents,

As I was reflecting upon the Day School this summer, two thoughts kept coming to mind: TEACHER DEDICATION and SCHOOL FAMILY! I am so thankful for both! Witnessing how determined the staff was to keep your children safe last school year was inspiring. Our teachers' willingness to get vaccinated this spring was even more so. But we are not just defined by these recent events in our world. For years, these women have been a part of our school family by being parents here at the Day School! We look forward to you creating these same special memories. It is wonderful to have so many on staff that have had children attend because they really understand what makes our school special and have a strong desire for you to experience that same joy.

Most of our staff have been here for years (18 for me!), because we love to walk through these school doors and spend our mornings with each other and your children. The magic truly happens when we start getting the children in morning car line. Some need our comforting voices and arms to coax them through a life transition, and others are full of giggles waiting for a new day to begin. We are here to help make this stage in your life peaceful, too! All of us are happy to be in this precious bubble called preschool where we can support you and teach your adorable children. We can't wait to love on you and your child! Welcome to the Day School family!

Blessings!
Ellen Nietert

COVID got you down? Is your "mommy guilt" worse than ever? Do you go through cycles of inadequacy and despair? Do you crave the company of other moms who understand? Come be comforted by your sisters in Christ beginning September 8. All are welcome to attend and you do not need to be a parishioner to attend. Childcare is provided for age 4 and under by registration. Can't make them all? Drop in as you are able. For more information and to register, visit ChristCh.org/momsclass.

SAFETY REMINDERS FOR SEPTEMBER

- Keep your child home if showing ANY COVID symptoms. Symptoms are listed in our school COVID policy (online and in handbook).
- Notify us ASAP if someone in your immediate family tests positive for COVID-19
- Drive SLOWLY in car line.
- NO PASSING in car line.
- Don't let your child hang out of the car; buckle up. We want car line to be fun and safe!
- Notify us if your child has fifth disease. This virus can harm and unborn baby.
- Notify us if your child has lice or something highly contagious like strep or hand-foot-mouth virus. We will share this helpful information with the class while maintaining your privacy.

We need YOU!

Become a Vaccinated Substitute Teacher at CCDS this school year. This is a great way to see the day & life of a preschool and be considered for future employment here. Have fun and earn \$30. Contact Ellen Nietert at enietert@christch.org.

THANKS FOR YOUR PARTICIPATION

Completing and submitting the Parent Volunteer Form is vital to the success of our school. We don't expect one person to do everything, but many hands make the tasks easier and so much more fun!
