Happy Easter! We are diving into the Easter season here at the school, and our prayer is that this will be a special holiday for you and your family. We are the first to admit that discussing the concept of Easter can be difficult for a child to understand. When we taught the children the different aspects of Holy Week with the Resurrection Eggs, we asked the children to remember that Easter eggs are not just about treats and surprises. That's great, but what is even more wonderful is the new life that the egg represents. With the Resurrection Eggs, we were able to share this dramatic event in an understandable and tangible way. One of the sweetest tokens found in one of the eggs is a pair of praying hands. This reminded the children that even Jesus needed to pray to his father. What I loved most about that particular egg is the fact that we too can go to God any time, and he will listen. Coming soon, the 3K and 4K classes will be flowering the cross. On your child's chapel day, please send in yard greenery or flowers for our service. During the Flowering of the Cross Chapel on April 9 & 10, we will decorate the cross with beautiful flowers & fresh yard trimmings, and the children will receive cross necklaces to remind them that Easter is all about Jesus!
