## We LOVE Our Teachers!

This is my favorite newsletter of the year because I know it makes the teachers feel so valued! This is only a small collection of the Teacher Appreciation notes that came flooding into my inbox. In this Scoop edition, we'll have a chance to read about our wonderful teachers. I only regret that I do not have enough space to print all of your thoughtful messages. Your response to my request for an encouraging note was overwhelming! Each teacher will receive all of your precious notes at the luncheon on Thursday, March 12. Thank you for showing your love in such a kind way! These teachers are so deserving of your praise! Our substitute teachers are amazing, too! - Ellen Nietert

### ***In Your Words...***

*Ms. Laurie and Ms. Monique are Penny's favorite people in the world. I'm not joking. She tells EVERYONE about her teachers. Friends, family, librarians, total strangers, everyone. Penny loves going to school and we really relate that to the environment Monique and Laurie create. We are so thankful to have had 2 years of them teaching our children. - Jordan Baker*

*Caroline, Suzanne, and Nicole make an amazing team! This year has been an amazing experience for Vera with one room focused on the learning and the dream room of exploratory and dramatic play. Vera has grown so much this year academically and we are so thankful for the dedication of this team. It's such a blessing as a parent to have your little one jump out of the car and be so excited each day. Thank you for loving our littles so well and showering them with the love of Jesus. - Todd and Katie Reel*

*We are so incredibly thankful for Ms. Kelly and Ms. Anna! Incorporating Christian values is so important to our family and you both do such a wonderful job at weaving those life lessons into your daily curriculum. He has learned so much this year and we are so grateful to have you leading him through such an impressionable age in such a caring environment. Thank you both so much! - Clark and Kenzie Banks*

*Ms. Lindsay and Ms. Nicole, Sully looks forward to Super Science every week. It is his absolute favorite. When we were in Disney, he was actually disappointed that he missed a day of Super Science! -Erica Wright*

We absolutely have been BLOWN away with the love and care Isla has received from Ms. Maria and Ms. Michele. This is our first experience at CCDS and we cannot say enough wonderful things about it, especially her teachers. Their commitment to getting kids to love school is so important. We love the activities and themes they zoom in on. Thank you for helping us raise our spirited girl! - Lauren McMillin

Ms Ashley is such a kind, patient and loving teacher to Hudson. I have seen him develop in so many ways this year and know that Ms. Ashley's way of teaching through play and hands-on activities has truly taught him so much. I love how special this school is and know that having the best teachers really makes a difference in their early development. I know that he is in such good hands everyday with Ms. Kimberly. We have loved having her this year and know she just makes everyone's day with her contagious smile and upbeat personality. - Courtney Beach

Ms. Jessie and Ms. Casey have created a classroom that is filled with kindness, love, and magic. Our daughter always comes home with a smile on her face so excited to tell us all about what she did at school, who she played with, and how much she loves her teachers. We can't thank Ms. Jessie and Ms. Casey enough for all they do for our daughter and all the other children in the class. We love Ms. Jessie and Ms. Casey! - The Talbert Family

Ms. Kelly, thank you for being such a wonderful teacher. Your kindness and fun spirit have already made such an impact - Charlie absolutely loves your class and preschool. Ms. Amanda, Ms. Susan, Ms. Jen, Ms. Haley, & Ms. Dakota, - Thank you so much for the incredible love and patience you show Emmett every morning! It means the world to us knowing he is in such kind, capable hands. He lights up when we talk about going to school and gets excited when we get in the car to go each morning. That makes us so happy! -The Rogers Family

Ms. Dakota and Ms. Logan always welcome my son, Jonathan, with the warmest, most encouraging smiles. Their happy, confident & welcoming demeanor immediately put me at ease and made dropping my son off with someone else for the first time feel completely comfortable. My son leaves their classroom with the biggest smile, and that means everything to me. Thank you for all that you do to make such a meaningful difference in our children's lives—your impact truly does not go unnoticed. Happy Teacher Appreciation Week! - Kyra Strilka

Ms. Anne & Ms. Beth are two of the kindest & most patient teachers, and we are so thankful to them for a great experience this year in the 4's class! Ms Laurie has been so gentle with Camden! We are so grateful for all the love and sweet lessons she is teaching him. Yet another amazing teaching team at our favorite preschool.
